

If you are reading this brochure, you're most likely a "friend" of our library already. If you'd like to take your support and friendship one step further, and "champion" our library in a meaningful way, read on to find out how.

Mission & Vision:

Friends of the Library is a voluntary organization that values, supports and champions the public library in ways that include, but are not limited, to advocacy, sponsorship, and organizing special events and projects for the library.

As a Friends' member you can choose your own level of involvement. You may opt for an active role, such as attending meetings, volunteering, organizing and working on projects, or you may prefer to support the library through membership dues alone. Whatever you choose, your involvement is important to the library and the community.
