GIFT MATERIALS

The Great Falls Public Library welcomes gifts to be used for the benefit of the library. It is the library’s policy to accept gifts with the understanding that the Director, the Board of Trustees and/or appropriate staff use their discretion as to the use of these materials.

Once donated, items (including containers) become the property of the Great Falls Public Library and may be added to the collection, made available for other non-profit agencies or discarded.

It is the responsibility of the donor to deliver donated items to the library. If the donor has more than one box of items, the library must be contacted in advance to determine if space is available to store the items. The library will not appraise any donated materials.

See the back of this form for a list of items the library will accept.

Please fill out the bottom portion of this form, as it will be the only acknowledgement of your gift. Thank you for thinking of your public library.

Dated, yellowed, damaged (including water damage) or musty items will not be accepted. Books must have the original covers attached. Patrons wishing to donate more than one box of books should contact the library in advance to make sure the library currently has space to store the donation.
