

2. In the "Computer Authorization" window, select **OverDrive** from the **eBook Vendor** drop-down menu.

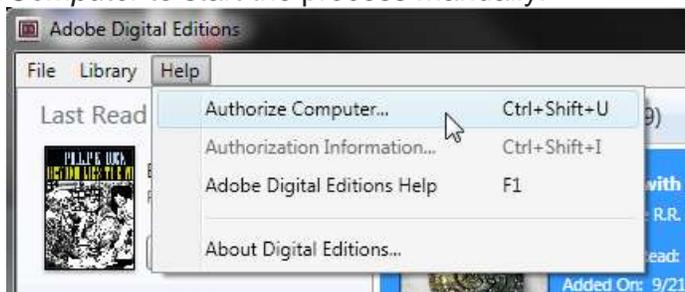

3. Enter the email address and password for your OverDrive account, then select **Authorize**.

Note: You won't be able to authorize ADE with your library card or an OverDrive account that was created using Facebook

Authorize your computer with an OverDrive account:

1. If you aren't prompted to authorize ADE the first time you open it, you can go to *Help > Authorize Computer* to start the process manually.

2. If you have an Adobe ID, enter it along with your password.

3. If you don't have an Adobe ID, you can [create one on Adobe's website](#) by selecting **Get an Adobe ID** and filling out their form. Once you're done, return to the "Computer Authorization" dialog box and enter your new Adobe ID and password.
4. Click **Authorize**. Your computer is now authorized with your Adobe ID.
