III. DIRECTOR'S REPORT

Ms. Mora began her report by informing the board that she had attended the AAUW Award Luncheon on May 3 and they presented the library with a check for \$1000. In addition they recognized the library and our staff for being an outstanding community asset. Lynn Allison of AAUW gave a very moving speech about all that the library and its staff do for our citizens.

The Foundation Board has approved their upcoming budget for April 2014-March 2015 fiscal year. We will see some increase in funding from the Foundation in the upcoming fiscal year.

We will discontinue using the ILL courier, Critelli Courier, beginning July 1. Effective on July 1, their rates will increase and given the small amount of savings we have seen since January 2012 (approx.. \$473) it will be more expensive than the postal service. Mr. Tropila asked if the State Library is going to include in their budget money to help offset the courier fee. Ms. Mora doesn't think so at this time.

Our first Little Free Library went into the ground this week at Russell Park. Neighbors, Park & Recreation Director Marty Basta and our builder, Pat Carroll were on site May 15 to dedicate the library.

We are still working on our budget. At this point, we will have to close Sunday and Monday and reduce staffing to try and get to a balanced budget. Ms. Brinkley complimented Korri for her hard work on the budget.

The Friends of The Library book sale concluded on Sunday. We don't have any figures yet as to how they did but they seemed busy.
