

Becoming a Friend of
the Library is easy!

As a Friends' member you can choose your own level of involvement.

You can be an active member attending quarterly meetings, participating in fund raisers such as the annual book sale or helping at various library events. Or you may prefer to support the library through membership dues alone. Whichever you choose, active or support member, your involvement is important to the library and the community.

We thank you for your interest in encouraging lifelong learning and in supporting and enhancing the services and programs offered by the Great Falls Public Library.

Mission and Vision

Friends of the Library is a voluntary organization that values, supports and champions the public library in ways that include, but are not limited to, advocacy, sponsorship and organizing or supporting special events and projects for the library.

New Ideas Welcome!

We are always looking for creative fund raisers and interesting projects to support the library.

Great Falls Public Library

Projects

Our primary fundraiser is an annual book sale in May. We have provided funds for both the adult and children summer reading programs. We also provided the funds for the new Wii system in 2008 and Library Night at the Voyagers in the summer of 2010. We look forward to providing regular support for the library store as well as volunteers for a variety of library functions.

Contact

Our two main methods of contact for members are e-mail and a bulletin board in the library lobby. For more information contact the Great Falls Public Library at 453-0349.
