Transferring eBooks to an eReader

1. Connect the eReader to your computer.
2. Open Adobe Digital Editions on your computer.
Make sure you're in "Library" view.
Your eReader should show up under "Devices."

3. Click on an eBook, then drag it over to your device.

Note: Transferring an eBook to your eReader will authorize it with the same OverDrive account or Adobe ID that your computer uses.

Once the transfer is complete, you can disconnect your device and start reading.
