Dear Trustees of Great Falls Public Library,

The Trustees and staff of Lewis & Clark Library wholeheartedly supports the decision of GFPL's Board to require patrons to wear masks in order to enter, and use the Library building. This Library has the same requirement. We make no exceptions. If a patron cannot wear a mask, we help them make alternate arrangements.

In order for the Library stay open to the public, we need to make sure our staff stays safe and healthy. Masks are how we make that happen.

If you have questions, please feel free to contact me.

Sincerely,

John Finn, Director
